

# CALIFORNIA COASTAL CLEANUP DAY - SAN DIEGO COUNTY

## SATURDAY, SEPTEMBER 17, 9AM – NOON

### Decorate Your Bucket Contest

This year, San Diego Coastkeeper and I Love a Clean San Diego are initiating a new art contest to encourage everyone to bring their own bucket, work gloves, and reusable water bottle to the cleanup. We encourage participants to use their creativity and imagination to learn why it is important to keep our waterways, beaches, and ocean free from marine litter. **Winners will receive great prizes and have their picture posted on the Cleanup Day website for one year!** Adults are also encouraged to participate in decorating their own bucket but will not be eligible for prizes.

#### How to Participate:

1. Decorate a bucket that you will bring to the cleanup.
2. Email a picture of yourself and your bucket at the cleanup to [cleanupday@sdcoastkeeper.org](mailto:cleanupday@sdcoastkeeper.org) within one week of the event.
3. Please include name, age, phone number and zip code in the email.

#### Rules and Judging:

1. Must participate in Coastal Cleanup Day to enter.
2. Participants must be under 16 years of age to win prizes.
3. Judging will take place after Coastal Cleanup Day.
4. Winners will be notified by email, responding to the email the entry was sent from.
5. Pictures of winners will be displayed on the Coastal Cleanup Day website.

Thank you to all of our sponsors
